DR. TAYLOR'S BALSAM OF LIVERWORT, for consumption and liver complaint, coughs, colds asthma, difficulty of breathing, pains in the side or breast spitting of blood, catarrhs, palpitation of the heart, op pression and soreness of the chest, whooping cough pleurisy, hectic fever, night sweats, difficult or profuse expectoration, and all other affections of the chest, lungs and liver

This Medicine is for sale by the proprietor, at 375 Bowery, between Fourth and Fifth streets, New York-R. H. Coleman, 133 Market street, Baltimore; and by LEWIS JOHNSON, at his Snuff, Tobacce, and Fancy Store, four doors ea t of the Washington City Post Of fice : also numerous agents throughout the United States. As an example of the multitude of certificates we have received in approbation of this medicine, the following

Dear Sir: I feel unequivocal pleasure in the opportunity now offered me of expressing my approbatory opinion of your Balsm of Liverwort, and the succes I have ever obtained from its administration. I have used your med icines in upwards of sixty cases, comprising all stages of disease, from incipent cold and cough to advanced phthisic, and have invariably found immediate relief. I recommend it cheerfully in all cases where the chest and lungs are affected, particularly in consumption, with scrofulous diathesis. For chronic cough, pain in the chest, spitting of blood, &c. I have no hesitation in pro-nouncing your vegetable medicine unrivalled.

With respect, your obedient servant, GEO, CAMPBELL, M. D. And Member of the College of Surgeons, Edingbugh. New York, January 2, 1839.

WONDERGUL CURE OF CONSUMPTION! Although Dr. Taylor's Balsam of Liverwort has found hundreds of advocates, and has produced so large a number of testimonials in its favor, I cannot withhold my small meed of praise. Being precisposed to consump-tion, both from peculiar formation and hereditary transmission, I tried every means to check this disease, and strengthen naturally a weak constitution. I spent two years at Pisa, one in Rome, two in Florence, and an other in the south of France, seeking, meantime, the advice of the best physicians. Two years since I returned to this country in about the same situation as when I left it. I had seen in the reading rooms of Europe much said in favor of Dr. Taylor's Balsam of Livort, and, as soon as I arrived in this city, I used it and in three months I was so well I concluded I could safely pass the winter there, and did so. I have used an occasional bottle now and then during the time, but am now in as good health as possible. My cough has wholly ceased, and my lungs have every feeling of health. JAMES HILL,

Western Hotel, Courtlandt street, N. Y

LIVER COMPLAINT AND COUGH!-Having fa ken a violent cold, which settled on my lungs and liver, producing a severe cough and pain in the side and shoulder, which was so severe at times I could scarcely turn over in bed, I was gradually wasting away, and weary even of my life. My cough was very distressing, and, being accompanied with nausea, loss of appetite, debil-ity, and other distressing symptoms, my suffering was extreme. Finding no benefit from any medicine, nor from my physicians, I got a bottle of Dr. Taylor's Balsam of Liverwort, which soon made me well and able to at-tend to my business. GEORGE YOUNG, Druggist, 376 Fulton street, Brooklyn

COUGH, PAIN IN THE SIDE AND CHEST CURED!—Having for a long time been distressed with a dry cough, I was induced, upon the urgent solicitation of a friend, to try Dr. Taylor's Balsam of Liverwort, and I must say this medicine has answered its purpose admirably. My distress was produced by a severe hurt, and was so great that it was with difficulty I could swallow Indeed, I am satisfied this disease must have terminated in consumption, or some fatal disease, had it not been cured by this judicious medicine. To all who seek to prolong their lives, I would advise the use of Dr. Taylor's Balsam of Liverwort.

JAMES COWAN, 426 Bowery.

LIVER COMPLAINT, COUGH, AND SHORT-NESS OF BREATH .- Having been severely ill for a long time with the liver complaint, and also a severe cough and great shortness of breath, and being cured from these distressing evils by the use of that truly magic medicine, Dr. Taylor's Balsam of Liverwort, I feel it incumbent on me as a Christian and philanthropist, to publish the facts. The awful distress of shortness of breath, together with a severe cough and the liver complaint was sufficient to make life hateful, but, thank God, I am now well. To Dr. Taylor I owe much, and if by any means I can induce the sick to use his medicine, I shall feel that I am doing a duty to him and to them. His m.edicine for diseases of the lungs and liver is worthy of all praise. It has saved my life and two other of my friends, and I believe will cure all who take it. Let all personstry it, and health will bless them. MR. HARVEY, 17 Norfolk street

FOR CONSUMPTION, COUGHS, COLDS, &c. Mr. J. B. Sutton, 28 Adams street, Brooklyn, has been for many years subject to diseased lungs, especially a bad cough, pain in the breast, shortness of breath, &c As his business exposed him very much, he was contin-ually taking fresh colds, and at length was unable to attend his business. Finding all the medicines he used did him no good, he resolved to try Dr. Taylor's Balsam of Liverwort, and no sooner did he commence this medicine than he grew better, and he was finally restored to a degree of health he had not enjoyed for years! He says he has recommended this medicine to all his friends been cured by its wonderful virtue! We will publish their testimony in a few days. We have received 200 certificates from Brooklyn, showing the great merit of this medicine, all of which shall be published.

CONSUMPTION AND LIVER COMPLAINT .-Suffering as I have for three years with these diseases, I feel from my heart for all persons equally unfortunate, and, therefore, I beg of them, if they love life and health if they love their families and friends, not to lay and die under the hands of mercury doctors or their useless trash, but try Dr. Taylor's Balsam of Liverwort. This medicine cured me when I was so ill I could not turn over in bed without assistance, and the mineral doctors said I could not live a week, yet this vegetable medicine cured me in six weeks. I had a hacking cough, pain in the sides, raising of matter, night sweats, and was wasted to the bone; also, inward fever.

J. B. MILLS, Milkman, Newtown, L. I.

CONSUMPTION, AND LIVER COMPLAINT .-For a long time I suffered with these diseases, and was the more alarmed, as I had lost two brothers and two sisters with the consumption. I had the best medical advice in vain; every remedy was tried without effect, and I was almost in dispair. I was wasting away, very nervous, had a bad cough, loss of strength, and many other dangerous symptoms. At length I tried Dr. Taylor's Balsam of Liverwort, and I must say this medicine cured me like a charm. Its great restorative powers should be made known.

W. HOLDRIDGE, 161 Green street.

RAISING OF BLOOD .- This disease is easily cured by the proper medicine. Mr. Newbury, 266 Bowery, used to raise blood in large quantities, both by day and night; besides this, he had a severe cough and pain in his breast; yet, after using every other medicine, he wacured by Dr. Taylor's Balsam of Liverwort. This ma is a cartman; and let all others who cannot afford to be idle follow his example, if they are sick, and use this medicine. It will restore diseased lungs and liver in a very short time. Not so with Dr. Hunt, whose exter sive research and practical experience so eminently qualify him for the profession of which he has been one of the most useful members. He contends—and a moments reflection will convince any reasoning mind of the cor rectness of his views—that the stomach, liver, and asso ciated organs are the primary and great regulators of health, and that the blood in very many instances is de-pendent on these organs, and that unless medicine reaches THE ROOT OF THE DISEASE, the superficial anodynes usually prescribed, serve but as foils to cover the ravages of deeprooted maladies. Under these convictions, at the expense of years of close application, the doctor has discovered a medicine whose searching powers are irresistible, and in prescribing, it is with knowledge outs being a radical cure in the various diseases already enumerated, even if applied in the most critical cases but he does not pretend to ascribe to HUNT'S BOTANIC PILLS a supernatural agency, although from positive proofs within the knowledge of hundreds, he is prepared to show, that when every other earthly remedy has been given up, Hunt's Botanic Pills have never been known to fail in effecting two very gratifying results, that of raising from the bed of sickness and disease those who have tested their efficacy, and thus amply rewarding Dr Hunt for his long and anxious study to attain this per-
